

NORTHERN WESTMORELAND CAREER AND TECHNOLOGY CENTER

SECTION: PROGRAMS

TITLE: MISSION STATEMENT/
BELIEF STATEMENTS/
OBJECTIVES

ADOPTED: October 20, 2011

REVISED:

<p>1. Authority Title 22 Sec. 4.13</p>	<p style="text-align: center;">101. MISSION STATEMENT/BELIEF STATEMENTS/OBJECTIVES</p> <p><u>Mission Statement/Belief Statements</u></p> <p>The mission of the NWCTC is to assure quality education which prepares students to achieve success throughout life.</p> <p><u>Objectives</u></p> <p>The primary objective of the Northern Westmoreland Career and Technology Center (NWCTC) will be to enrich the curriculum of the secondary schools from participating districts. Enrichment will be directed toward the development of job entrance competencies that will eventually lead to profitable employment. Other contributing objectives are as follows:</p> <ol style="list-style-type: none"> 1. To enable all interested and qualified persons to participate in a career and technical education (CTE) training program. 2. To motivate and guide secondary school youth toward the fullest development of their potentialities in cooperation with the participating school districts. 3. To make a consorted effort in determining the capabilities and capacity of students in that they may have proper direction in developing their potential. 4. To provide a continuous evaluation of context, sequence, and continuity of the entire program. 5. To provide students with thorough education in the skills of the CTE area and the technical laboratories in that students will prepare to take employment among skilled craftsmen and technicians upon completion of the course. 6. To develop with industry cooperative work experience programs for secondary youth. 7. To provide leadership in the development of school philosophy in cooperation with the professional staff of the center and the participating school districts.
