TITLE: PUBLIC PERFORMANCES BY STUDENTS

ADOPTED: October 20, 2011

REVISED:

	230. PUBLIC PERFORMANCES BY STUDENTS
1. Purpose	The Joint Operating Committee recognizes the value of students sharing their talents and skills with the community through student participation and performances in public events.
2. Definition	Public performances shall include participation in civic events as well as student and school-initiated activities.
3. Authority SC 1850.1	The Joint Operating Committee endorses public performances by students when they constitute a learning experience that contributes to the educational program; they do not interfere with other scheduled activities; and the circumstances of the event do not pose a threat to the health, safety or well-being of the students who are involved.
4. Delegation of Responsibility	<p>Public performances by students, individually or in groups under the name of the center, shall be permitted with the approval of the Administrative Director. Requests for participation shall be made in writing to the Administrative Director at least two (2) weeks prior to the event.</p> <p>If participation in a public performance requires that students must leave the school area for an overnight activity, the approval of the Joint Operating Committee will be required.</p> <p>The Administrative Director or designee shall develop procedures to implement this policy.</p>
5. Guidelines	<p>Parental permission shall be sought and received before students may participate in any public performance.</p> <p>No student, group of students, or employees of this Joint Operating Committee may receive compensation for a public performance of students organized as school representatives.</p>
