Definitions

Dating Partner shall mean a person, regardless of gender, involved in an intimate relationship with another person, primarily characterized by the expectation of affectionate involvement, whether casual, serious or long term.

Dating Violence shall mean behavior where one person uses threats of, or actual uses, physical, sexual, verbal or emotional abuse to control the person's dating partner.

Authority

The Joint Operating Committee encourages students who have been subjected to dating violence to promptly report such incidents.

The center shall investigate promptly all complaints of dating violence and shall administer appropriate discipline to any student who violates this policy.

Every report of alleged dating violence that can be interpreted at the outset to fall within the provisions of policies addressing potential violations of laws against discrimination shall be handled as a joint, concurrent investigation into all allegations and coordinated with the full participation of the Compliance Officer and Title IX Coordinator. If, in the course of a dating violence investigation, potential issues of discrimination or discriminatory harassment are identified, the Title IX Coordinator shall be promptly notified, and the investigation shall be conducted jointly and concurrently to address the issues of alleged discrimination as well as the incidents of alleged dating violence.
