August 2022

Dear Service Manager:

The Northern Westmoreland Career & Technology Center will be offering Enhanced Emissions and State Inspection classes for the Fall/Spring 2022/2023 Adult Education Program.

It is all of our responsibility to provide a safe environment for everyone at NWCTC. Safety is our highest priority and we will continue a face-to-face instructional method but it is necessary for our students/staff to follow the CDC, PDE, state and local required guidelines. Students are not currently required to wear masks/shields while in the building, however the guidelines could change at any time to make it mandatory and we will follow all required guidelines. **Please see our Health and Safety Plan posted on our NWCTC website for more details www.northwmctc.org**

ENHANCED EMISSION INSPECTOR CERTIFICATION - E.E.I.C.

Classroom training, a CBT challenge and a proctored exam are required for a student to certify as an emissions inspector. **Before coming to class the student must purchase a training manual, a CBT challenge and on-line exam from the training provider at www.pattrainingportal.com.** Print out material and bring it with them if possible. The 8-hour training includes the CBT challenge and proctored exam. There are 50 questions per exam; the student will have 75 minutes to complete the exam. The student will be responsible for classroom training fees paid directly to the school. There is a \$40.00 re-test fee for anyone who doesn't pass the test the first time. **Students must hold a current valid driver's license and must be at least 18 years old. Please write your Driver's License number on the registration form when registering** and please bring driver's license and proof of Penn Dot's online registration, along with your password and ID that Penn Dot gives you when you register. **This class is 3 nights for 2 weeks.**
Classes will be offered on the following dates, 6:00 – 10:00 pm.....COST: \$150.00

October 17, 2022

December 5, 2022

February 6, 2023

It is the policy of NWCTC not to discriminate on the basis of race, sex, religion, color national origin or handicap in its educational programs, activities or employment policies as required by the Title VI of the Civil Rights Act of 1964, and Section 503 and 504 regulations of the Rehabilitation Act of 1973. For more information regarding compliance with the above Non-Discriminatory Policies contact the Administrative Director.

OFFICIAL STATE INSPECTION MECHANIC CERTIFICATION PROGRAM

▶ **Category 1** – This class covers all of the rules and regulations involved with the written and tactile exam for passenger cars and light trucks sponsored by the PA State Motor Vehicle State Inspection Process. State required equipment and regulations are discussed along with detailed demonstrations. The baseline and category test will be administered on the fourth evening of class. A score of 70% is required to proceed to the Category Tests. If the baseline test is failed, the student may retake the entire course at the cost of \$100.00. If the category 1 test is failed there will be a \$40.00 re-test fee. If the tactile test is failed there is a \$80.00 re-test fee. The tactile test will be scheduled individually between the instructor and the student. **Student must hold a current valid driver's license and must be at least 18 years of age.** **If you let your Safety Inspection Certification expire you will have to take the course all over again.** **Please write your Driver's License number on the registration form when registering** Book included the first night of class. Class size limited. To add the category below, the cost is additional. **This class is 4 nights for 2 weeks plus additional night for tactile.**

Classes will be offered on the following dates, 6:00 – 10:00 pm. 4 Classes plus tactile....COST:\$ 250.00

September 19, 2022

January 16, 2023
